MAINTENANCE

- ◆ No Tie Rods to replace
- ◆ No need to check Nitrogen gas
- ◆ Simple tool retainer design for quick tool replacement
- ◆ Easy to repair or service in the field

ABOUT BLUE DIAMOND® ATTACHMENTS

Blue Diamond® Attachments is a trusted and reliable company. Established in 1995, Blue Diamond® is a widely recognized name in the global attachments industry. We are committed to unparalleled customer service from the very first call to the after-sale follow-up and service.

In today's fast-paced environment, delivering quickly and on time are key to success. Blue Diamond® Attachments is very different in the fact that we stock thousands of finished products in our warehouses every day ready to ship. This results in a big advantage for our customers with many shipments leaving in 2-3 days. Our Tennessee facilities alone are now over 250,000-square-feet situated on 32 acres. These facilities, along with streamlined processes, allow most of our orders to leave our facility within 10 days.

YOUR AUTHORIZED BLUE DIAMOND DEALER IS:

Our parts department keeps thousands of replacement parts at the ready and strives to ship all parts orders received before noon the same day the order is placed! Tracking numbers are sent to our customer the day after the shipment leaves our dock.

We are located in Knoxville, Tennessee. This central location allows our products to reach more than half of the United States population within 2-3 days' shipping time. We have many loading docks, which allow us to keep trailers from several freight companies, making use of the best freight lines available. In addition, we are the only 1-day point of export to multiple foreign ports.

ROCK & CONCRETE GRINDERS

The Blue Diamond® Rock & Concrete Grinders are a must have tool for any application where rock, concrete, and asphalt need to be removed. They allow for a clean trench to be made with vertical walls. Six different models are available, and mounts to fit most excavators and skid steers.

Shown on excavator; skid steer mount available.

- APPLICATIONS:**
- Trenching
 - Demolition
 - Rock Excavation

- All American-made parts & components
- Powerful high torque hydraulic motors
- Robust cutting drums to ensure maximum production & prolonged life
- Customizable drums to accommodate performance maximized applications
- Durable spur gears & housing
- Bolt on mount for excavator or skid steer

PART NUMBER	MODEL	WEIGHT (WITHOUT MOUNT)	CUTTING WIDTH	HEAD DIAMETER	REQUIRED FLOW (GPM)	CARRIER WEIGHT

159035	G4	4,100 lbs	40"	29"	50-85	50,000-90,000 lbs

PLATE COMPACTOR

The Blue Diamond® Plate Compactor can be used on excavators, backhoes, skid steers, and mini machines. The industry leading technology protects the machine from excessive vibrations, yet offers excellent compaction ability.

Shown on excavator

- Advanced technology for low vibration and noise
- Same width as standard trenching buckets
- High-pressure cut off valve to protect motor
