

# MINI PALLET FORKS

## STANDARD & LOW-PROFILE

The Blue Diamond® Pallet Forks for mini skid steer and mini track loaders offer great visibility without sacrificing durability. These tough pallet forks use a class 2 fork tine hung on a machined carriage bar that allows the tines to be locked in various positions.

PART NUMBER	MODEL	WEIGHT
313940	<b>1 1/4" X 36" Tines, Pallet Fork, Low Profile</b>	250 lbs
