

# SERIES 2 MINI BRUSH CUTTERS

The Blue Diamond® Mini Brush Cutter has top performance in grass and up to 4” brush. With a minimum required flow of 9 GPM, this mini brush cutter can go on almost any machine! The 3 double-sided blades with bi-directional cutting extend the lifespan of your blades and keep you working longer. The exceptionally strong direct drive makes this mini brush cutter a front runner in its class. Choose the open front design to allow for a good bite at the base of trees and shrubs.

## FEATURES INCLUDE

- 3 blades
- 4” cutting capacity
- Direct Drive with lifetime warranty on the spindle
- Minimum required flow: 9 GPM
- Double edged blades
- Bidirectional

Open Front

Closed Front

PART NUMBER	MODEL	BEST FLOW	WEIGHT
303716	<b>36” Cut, 80cc, Closed Front</b>	9-20 GPM	500 lbs
