

POWER RAKE SEVERE DUTY SERIES 3

FEATURES INCLUDE

- 6,000 Series hydraulic motor
- Airless tires
- Weld-on, replaceable, and carbide teeth options
- 3/8" thick wall tube frame
- 1.5" motor shaft and high pressure seals
- 8" drum diameter, 13" including teeth

The Blue Diamond® Power Rake - Severe Duty Series 3 is a must have for anyone who uses a power rake for a living. This unit is our biggest and strongest power rake that we offer and an industry leader for durability and ease of maintenance. It comes standard with the airless tires you've come to love, and the increased drum diameter moves soil faster than ever before.
