

6-WAY DOZER BLADE

The updated Blue Diamond® 6-Way Dozer Blade for skid steers is extremely rugged, easy to use, and offers superior visibility. It has a bolt-on edge, skid shoes, and heavy duty cylinders. Using a proven pivot system, it can tilt 10° and angle 30°. A blade extension is available for 8" of added height. It converts to a snow plow by pulling 2 pins and adding a height extension and trip springs. Don't settle for anything less!
