

EXCAVATOR DRUM MULCHER

EXTREME DUTY

The Blue Diamond® Extreme Duty Excavator Drum Mulcher is one of the fastest ways to tear down a forest. Turn trees to wood chips in minutes using our durable drum mulcher built with high strength steel.

No job is too big or small with cutting widths up to 50 inches. All our drum rotors have fixed teeth set in helical position with “p-cut” depth limiters. Choose the reversible carbide teeth option for maximum tooth lifespan when working in rocky areas! And with centralized grease points and hydraulic quick couplers, you can trust that routine maintenance is straightforward and easy.

The Extreme Duty model comes with a double row of chains to keep material flowing and shield the operator from thrown debris.

FEATURES INCLUDE

- Available in 40” and 50” cutting widths
- Chain curtain minimizes discharge
- 7” diameter cutting capacity
- Flow capacity is 24-45 GPM
- 4,000-5,500 PSI
- Hydraulic front cover
